MEMORANDUM FOR THE HONORABLE WILLIAM J. CASEY
The Director of Central Intelligence

SUBJECT: Request for Bi-Weekly Updates on Soviet
Active Measures (U)

The time period leading up to the President's meeting in November with Soviet General Secretary Gorbachev may be an occasion for Soviet Active Measures directed against the United States, particularly as the Soviets attempt to sow dissension among our NATO allies and influence to their benefit the arms control negotiating process. (S)

It would therefore be useful if CIA could produce on a bi-weekly basis a report highlighting examples of Soviet Active Measures abroad. I am also asking the FBI to produce a complementary bi-weekly report noting Soviet Active Measures in the United States. The update should begin as soon as feasible and continue until after the November meeting. (C)

FOR THE PRESIDENT:

Robert C. McFarlane
